

Global Ends Policy

Level E 1: Global Ends

The purpose of the CCSA is that students will obtain the benefits that result from playing a musical instrument at a justifiable cost to the organization, and that an environment will be maintained where CCSA teachers are able to live and work in the community.

Level E 2a

Students will have the experience of playing a musical instrument as the first teaching priority

Level E 2b

Students will have the experience of playing music with others as the second teaching priority.

Level E 2c

Students will have the experience of playing music for others as the third teaching priority.

Level E 2d

Teachers will be supported at a level that allows them to remain in our local community.
